

MUCHEA CATTLE REPORT 31st October 2022

Nutrien Livestock reports 2056 cattle sold at Muchea Monday 31st October with Nutrien selling 1430. Local heavy bulls eased slightly however all other categories of bulls met strong demand to be firm. Local, heavy yearling steers were of excellent quality and values firmed under strong demand. Very few good quality local yearling and weaners were penned, and the odd line was equal. The pastoral heifer offering was very mixed and lightweight, better types still attract good competition and values were equal. A very good penning of both local and pastoral cows saw best heavy weights improve by 4c/kg whilst medium weights lifted 10c/kg. Lightweights remained firm.
