

## MUCHEA CATTLE REPORT 28<sup>th</sup> November 2022

Nutrien Livestock reports 2195 cattle sold at Muchea Monday 28<sup>th</sup> November with Nutrien selling 1416 of these. Values across the board fell substantially with heavy bulls the only class to generally remain equal. Bulls suitable for live export and feed met very limited enquiry and fell 30 – 100c/kg depending on quality. Heavy local steers dropped 50-70c/kg with heavy pastoral steers also falling 50-70c/kg. Heavy local heifers also received the sale drops. Local young steers eased 30c/kg and heifers eased over the range of 20-60c/kg. Large lines of poor-quality lightweight pastoral heifers saw values drop 50c/kg whilst the better-quality medium weights received fair competition to remain equal. An excellent yarding of local and pastoral heavy cows saw values fall 50-70c/kg which followed on to the medium weights also. However, plain mixed age pastoral cows met strong enquiry to ease only 20c/kg.
