

MUCHEA VEAL REPORT 5th December 2022

Today agents yarded a total of 262 veal with Nutrien livestock selling 55 of them.

This week calf sale total yarding increased dramatically. Both local and pastoral calves presented again and the demand was equal. Both graziers and butchers continued with the demand on light weight calves. The best steer calves selling to a local grazier at \$1250. Local Bull calves met with strong eastern states demand at \$1200.

The best local Heifer calves sold to a local butcher at \$970.
