

MUCHEA VEAL REPORT 19th December 2022

Today agents yarded a total of 194 veal with Nutrien livestock selling 71 of them.

Again, this week's yarding consisted of pastoral and local calves and the demand was firm. With a few eastern states graziers absent the demand was equal.

The best local steer calves sold to \$930 with the heifers reaching \$820.

Pastoral bred bull calves fetched up to \$550 with the heifers selling to \$380.
