

## **MUCHEA VEAL REPORT 23<sup>rd</sup> January**

Today agents yarded a total of 91 veal with Nutrien livestock selling 42 of them.

This weeks yarding consisted of mostly local bred calves with only the odd pen of pastorals penned. There was one line of local Angus calves that sold to local graziers under very strong demand.

Graziers and butchers showed extra demand this week and lifted prices \$20/\$40 head.
