

MUCHEA CATTLE REPORT 30th January 2023

Nutrien Livestock reports 1641 cattle sold at Muchea Monday January 30th with the company selling 1145 of these. Very few heavy local bulls were offered and due also to quality, values eased 40c/kg on last week's very strong results. Bulls suitable to live exporters and feeders were well down in numbers and quality lines available improving. In general, yearling steers and heifers were fully firm. The few heavy trade steers and heifers penned met solid competition to close fully firm. An excellent yarding of heavy local and pastoral cows saw values again rise on the back of last weeks higher rates to top out at 326c/kg or 30c/kg above last quotes. This flowed on to the medium and lighter plain cows of which the latter sold to 298c/kg.
