

MUCHEA CATTLE REPORT 6th February 2023

Nutrien Livestock sold 989 Cattle out of a total of 1507 at Muchea Monday 6th February. Heavy bulls lifted due to more numbers and very good quality to top at 284c/kg. Heavy steers and heifers were low in numbers and were fully equal. The quality of the yearling local steers and heifers was mixed however competition was strong and values firmed on most classes with lightweight steers lifting 50c/kg to sell 538c/kg. A good run of light and mediumweight pastoral heifers saw values gain 20-30kg. An excellent offering of local and ex pastoral cows saw heavyweights slip marginally with medium weights equal and lightweights gaining 10c/kg.
