

## MUCHEA CATTLE REPORT 13<sup>th</sup> March 2023

Nutrien Livestock sold 838 cattle out of a total of 1164 at Muchea Monday 13<sup>th</sup> March. A very mixed quality yarding was once again on offer with cows and heavy bulls the standout. Very few trade types were available and values were equal. Weaner steers (British Breeds) were keenly sought after again and gained 10-20c/kg. Whilst the heifers eased slightly. A good yarding of heavy bulls saw values ease slightly to top at 298c/kg. Competition on bulls suitable for live export was quieter with values 30-50c/kg easier. An excellent penning of local and ex-pastoral heavyweight cows saw values rise 10c/kg to peak at 324c/kg with medium weight's gaining 15-20c/kg and strong bidding on light weight cows to peak at 300c/kg.
