

## MUCHEA CATTLE REPORT 27<sup>th</sup> March 2023

Nutrien Livestock sold 504 cattle out of a total 929 head at Muchea Monday 27<sup>th</sup> March.

Quality was once again very mixed with the cow portion again the highlight. Good numbers of heavy bulls saw values remain equal. All other bulls suitable for live export and to feed eased due to quieter export demand. Heavy trade cattle were in short supply and values fell 40c/kg. Local steer and heifer yearlings were in light supply and values slipped 20-50c/kg with live export not operating. Pastoral drafts were very mixed and too few to quote. A very good penning of local cows saw values across all grades remain equal.
