

MUCHEA VEAL REPORT 8TH May

Today agents yarded a total of 95 veal with Nutrien livestock selling 84 of them.

With a bigger yarding of both local and pastoral calves being presented, demand rose slightly across all categories. Local graziers were a lot more active on all calves with butchers showing more intent to buy and suitable calves. Light weight local bull calves sold up to \$350 with the pastoral end making \$270.
