

MUCHEA CATTLE REPORT 22nd May 2023

Nutrien Livestock sold 343 cattle out of a total of 1027 yarded at Muchea Monday 22nd May. Quality was again very mixed with many poor-quality lines from the pastoral regions. Heavy slaughter bulls fell 30c/kg however quality was down. Younger bulls suitable for live export were equal. The few heavy trade steers offered eased 40c/kg and heifers 20c/kg. Local young steers and heifers met limited competition and eased up to 60c/kg. Small, odd lots, mainly pastoral types were very hard to sell and ranged anything from 50c-\$150c/kg. A small offering of cows saw local heavyweights slip 10c/kg. No medium weights were available in lines and lightweight pastoral cows eased fully 30c/kg.
