

MUCHEA CATTLE REPORT 29th May 2023

Nutrien Livestock sold 532 cattle out of a total of 711 at Muchea Monday 29th May. The majority of the penning was pastoral cows, bulls and mixed breed steers in store condition. Heavy bulls were scarce and values barely equal. Bulls suitable for live export were predominantly pastoral with the heavy lines 230-250c/kg, medium weights 220-250c/kg and lightweights 260-418c/kg. Local steer and heifers weaners were too few to quote. A small but good quality penning of pastoral cows saw heavyweights remaining fully firm, medium weights 190-234c/kg and lightweights 100-182c/kg.
