

MUCHEA CATTLE REPORT 12TH JUNE 2023

Nutrien Livestock sold 546 cattle out of a total of 743 at Muchea Monday June 12th. Competition improved on last week due to some better-quality cattle being penned however, a fair few second-grade consignments were present. Heavy local bulls gained 20-30c/kg with added competition. All bulls suitable for live export and to feed sold over a wide range due to the mixed quality. A better offering of heavy steers and heifers saw improved values due to quality. Very few feedlot weight steers and heifers were available with steers 340-380c/kg and heifers 300-340c/kg. The quality of the young pastoral heifers was much better and returns showed this with lifts of 70-90c/kg. A small penning of cows saw heavy weights life 20c/kg with the balance firming.
