

MUCHEA CATTLE REPORT 3rd JULY 2023

Nutrien Livestock sold 938 cattle out of a total of 1383 at Muchea Monday July 3rd. The yarding was dominated by pastoral consignments of all classes. Good quality heavy pastoral steers were prominent and realised 240-260c/kg. Heavy, local trade heifers made 240-270c/kg. The few heavy pastoral heifers penned sold to similar rates. Local, yearling steers and heifers were too few to quote. The quality of the lightweight pastoral heifers was very mixed with poorer quality lines hard to quit. Heavy local cows improved slightly to sell for 210-234c/kg. Medium weights equal. Heavy pastoral cows also met strong competition and reached the same values. Light pastoral cows gained 10c/kg. Heavy bulls remained equal.
