

## MUCHEA CATTLE REPORT 10<sup>th</sup> JULY 2023

Nutrien Livestock sold 216 cattle out of a total of 408 at Muchea Monday July 10<sup>th</sup>. A mixed quality, small yarding didn't produce any highlights with only minimal processors support and little to no feedlotter enquiry. Grain assisted Angus trade steers met limited competition and sold to 280c/kg. A good quality, although small penning of local and pastoral cows saw values for all categories fully firm. The few heavy local bulls offered gained 10c/kg.
