

## MUCHEA CATTLE REPORT 31<sup>ST</sup> JULY 2023

Nutrien livestock sold 587 cattle out of a total 739 at Muchea livestock centre Monday 31<sup>st</sup> July. Heavy bulls were down in numbers and eased 10c/kg. A fair run of local trade steers and heifers saw values remain barely equal. The smaller offering of heavy cows were of good quality and values were firm to a shade dearer. All other classes were equal. Local steer and heifer yearlings and weaners were too few to quote. Light and medium weight pastoral steers and heifers sold over a wide range of values due to very mixed quality. Bulls suitable for live export and to feed fluctuated due to quality.
