

MUCHEA CATTLE REPORT 28th August 2023

Nutrien Livestock sold 876 Cattle out of a total of 1219 at Muchea Monday 28th August. Apart from some heavy pastoral steers and a few heavy cows the yarding consisted of mixed quality, pastoral bulls, heifers and cows. Heavy local bulls were too few to quote. All other weight classes suitable to live export and to feed remained equal. Due to quality heavy steers over 400kg eased 20c/kg. Local yearling steers and heifers were scarce with odd sales 10c/kg better. Heavy and medium weight good quality cows were equal with plain and light pastoral cows selling from 106c/kg to 170c/kg. Pastoral heifers were generally equal.
