

MUCHEA CATTLE REPORT 18TH September 2023

Nutrien Livestock sold 782 cattle out of a total of 1086 at Muchea Monday 18th September. Lightweight pastoral heifers and cows made up the bigger percentage of the yarding along with heavy local and pastoral bulls. Heavy bulls remained equal. Bulls suitable to ship and feed generally were equal however eased on quality. Good quality local steers 400-500kg made 230-270c/kg with those over 500kg to 230-260c/kg. However numbers were few, heavy local heifers ranged from 200-230c/kg. Local steer and heifer yearlings were hard to quit which was quality based. Large numbers of lightweight pastoral heifers are coming forward and prices are barely equal. Less numbers of good quality heavy cows were penned and values eased 10-15c/kg. Medium weight cows eased 10c/kg and plain light weight pastoral types eased 20c/kg.
