

MUCHEA CATTLE REPORT 9th October 2023

Nutrien Livestock sold 675 Cattle out of a total of 1307 at Muchea Monday 9th October. Quality once again was wide and varied with some good quality local steer and heifer yearlings on offer and these met strong live export and feedlot competition to be 20-30c/kg higher.

Heavy steers were equal whilst a few lines of good quality heavy heifers lifted 20c/kg. A fair supply of medium and lightweight pastoral heifers of mixed quality saw values generally remains equal. Heavy slaughter bulls were equal and all others suitable for live export and to feed were equal. Heavy local and pastoral cows were firm as were medium weights. Plain, light pastoral cows eased 20c/kg.
