

MUCHEA CATTLE REPORT 23rd October 2023

Nutrien Livestock sold 1199 cattle out of a total of 1805 cattle at Muchea Monday 23rd October. Heavy, local bulls eased 30c/kg. All other classes of bulls were from pastoral regions and mixed in quality with values generally holding on last quotes. Heavy, local trade cattle were too few to quote. Local, yearling/weaner steers and heifers fell 30-40c/kg in a softening market. Pastoral yearling steers were mixed quality and eased 20c/kg. Good numbers of pastoral heifers were penned and sold over a wide range to be barely equal. A good offering of heavy cows saw values ease only slightly. Medium weight cows were equal and good quality. Local light cows met strong competition to gain to 80c/kg.
