

MUCHEA CATTLE REPORT 27th November 2023

Nutrien Livestock sold 512 cattle Monday 27th November out of a total of 987. The yarding had some lines of very good quality trade weights however, overall it was very mixed. Heavy slaughter bulls remained equal whilst bulls suitable for live export and to feed made good gains of 40-50c/kg due to better quality than last week. Fair quality and numbers of mainly local cows saw values for heavy weight's ease 4-6c/kg and medium and lightweights eased 10-20c/kg. Local steer and heifer weaners were well supported by live export and lifted 20-30c/kg.
