

## MUCHEA CATTLE REPORT 4<sup>th</sup> December 2023

Nutrien Livestock sold 893 cattle out of a total of 1184 at Muchea livestock centre Monday 4<sup>th</sup> December. Cows of all descriptions along with lightweight yearling and weaners made up the biggest percentage of the yarding and gained solid competition across the board. Heavy slaughter bulls lifted 10c/kg, all other classes of bulls suitable for live export and to feed were firm to dearer depending on quality. Trade cattle were too few to quote. The quality of local weaners and yearling steers and heifers was mixed and values were equal. Heavy and medium weights cows were equal. A very good penning of store cows met strong attention to lift strongly in values selling to \$1.56c/kg.
