

MUCHEA CATTLE REPORT 15th January 2024

Nutrien Livestock sold 616 cattle out of a total 1130 at Muchea Monday 15th January. Cows and bulls across all categories dominated the yarding with the balance mainly light and plain yearling/weaner steers & heifers showing the effects of the season. Heavy local bulls were firm to 20c/kg higher. Young bulls suitable for live export and feed were easier due to lack of competition. A small but good quality run of heavy steers saw values improve 20c/kg and heavy heifers also gaining 10-20c/kg. An excellent penning of heavy local cows saw best quality lines gain 6c/kg to sell to 172c/kg, this flowed onto the medium weights that topped at 160c/kg and lightweights to 144c/kg.
