

MUCHEA CATTLE REPORT 29th January 2024

Nutrien Livestock sold 616 cattle out of a total of 1009 at Muchea Monday 29th January. Once again, cows were the dominant percentage of the line-up, both slaughter and stores. Competition was again strong with values fully firm to a shade dearer. Heavy bulls to slaughter were also firm to dearer. Trade weight lines were few, and values equal. Yearling steers were mixed with better quality lines gaining 10-16c/kg. Yearling heifers in the 3-400kg range also lifted 10-16c/kg for the better typed. Poorly bred, lightweight cattle of all classes remain hard to quit.
