

MUCHEA CATTLE REPORT 05th February 2024

Nutrien Livestock sold 1055 cattle at Muchea out of a total of 1406 Monday 5th February. Apart from a good run of heavy cows and bulls, quality and weight was scarce. Heavy slaughter bulls were firm to dearer whilst all other younger bulls suitable for live export or to feed remained fully equal to dearer. Local heavy cows met solid competition to remain firm as did medium and lightweights with the addition of an extra store cow buyer. Local young steer and heifer yearlings and weaners were mixed in quality and values generally remained equal. A large yarding of lightweight pastoral heifers saw values for better bred lines gain up to 30c/kg. Poorly bred lightweight still remain hard to quit.
