

## MUCHEA CATTLE REPORT 19<sup>th</sup> February 2024

Nutrien Livestock sold 487 cattle out of a total of 983 at Muchea Monday 19<sup>th</sup> February. The quality of the young steers and heifers were down again due to the seasonal conditions and values reflected this. However, an excellent quality penning of heavy and medium weight cows met good competition with only odd lines easing just 5c/kg. Light cows also eased slightly. Heavy slaughter bulls remained equal. Export bulls were very few in number but sold strongly.
