

MUCHEA CATTLE REPORT 26th February 2024

Nutrien Livestock sold 823 cattle out of a total of 1250 head at Muchea Monday 26th February. Once again, a very good run of heavy and store cows dominated the yarding and values were fully firm. Also, a very good quality penning of yearling heifers over 400kg saw values lifted 40-60c/kg as did the few local steers offered in this weight range. Young local steers 300-400kg lifted 20c/kg. The few small lines of heifers were barely equal. The quality of the pastoral weaners and yearlings was very mixed and sold over a wide range.
