

## MUCHEA CATTLE REPORT 11<sup>th</sup> March 2024

Nutrien Livestock sold 636 cattle out of a total of 1149 at Muchea Monday 11<sup>th</sup> March. The yarding was again mainly store cows and lightweight weaner steers and heifers. A good run of heavy bulls started the sale and sold to 206c/kg to remain fully firm. All other bull categories were equal. The odd trade weight steer and heifers were also equal. Better quality local yearlings and weaners held recent values with odd lines of heifers up 40c/kg. Ultra-light and poor types were hard to quit. Cow numbers were dominated by store types, best heavy weights gained 20c/kg plus to peak at 206c/kg. This trend flowed on to medium weights with the plain, light end equal.
