

Muchea Cattle Report 10/03/2025

910 liveweight and 12 veal / total 922

Numbers were a little higher this week at Muchea. With a healthy Buyer attendance Most values remained in line with last week's pricing with the exception of feeder cows lifting 20/25c and heavier cows up 4/5c/kg. Steers of all ages were in abundance and amongst them were several runs of very well-presented Angus trade, yearling and weaner steers selling to a top of 346c/kg. Pastoral cattle also made up a reasonable percentage of the sale and most were showing signs of a good season.

Weaner steers back to the paddock were selling from 150c to 280c and with more weight and cover up to 330c/kg. Store weaner heifers lacking weight and frame ranged from 80c to 196c and in better condition up to 270c/kg. Yearling steers in store condition sold from 198c to 250c while feeder and slaughter weights lifted mostly due to quality selling from 270c up to 346c/kg. Lighter Yearling heifers sold from 80c to 180c while better conditioned heifers sold to a top of 290c/kg.

Grown steers returned 188c to 278c while grown heifers made 200c to 272c/kg. Feeder cows were in demand starting from 150c while the majority made 180c to 210c/kg. Medium cows were selling from 190c to 220c and prime cows realized 248c/kg.

Bulls returning to the paddock ranged from 150c to 232c while shipping bulls kept in line with last week's values making 180c to 272c and slaughter bulls returned 180c to 248c/kg.
