

Muchea Cattle Report 24/03/2025

*911 liveweight and 20 veal / total 931*

Supplies increased marginally today with 931 yarded. Heavy trade weights were scarce, so were heavy bulls and fat cows, feeder cows were a little more prominent while the bulk of the sale was made up of Local and pastoral yearlings and weaners. Prime cows were sought after gaining 10/15c with one pen reaching 268c/kg. Steers and heifers also lifted with demand on feeder and slaughter types and live export were strong on the younger bulls.

Vealer steers in store condition were selling from 156c to 272c and with more size and weight gained 30/35c to return 284c to 360c/kg. Vealer heifers lacking size or condition ranged from 150c to 230c and heifers with better weight and frame lifted 20/25c to realize 306c/kg. Store yearling steers sold from 200c to 270c and with more weight and cover also recorded gains of 20c to returned 290c to 348c/kg. Light framed yearling heifers were selling from 198c to 244c while most of the heavier heifers lifted 15/20c selling from 248c to 308c and one exceptional pen realized 372c/kg. Pastoral steer calves ranged from 150c to 300c while pastoral heifers made 50c to 258c/kg.

No grown steers were yarded however grown heifers ranged from 180c to 284c depending on quality. Light cows returned 140c to 184c while medium cows made 190c to 220c and prime cows realized 268c/kg.

Bulls returning to the paddock sold from 58c to 210c while shipping bulls made 170c to 278c and the few slaughter bulls presented returned 230c to 264c/kg.
