

## Muceha Cattle Report 08/06/2026

*1075 liveweight and 0 veal / total 1075*

Today's sale recorded good numbers given the time of year with a mix of local cattle and large drafts of young store pastoral steers, heifers and bulls. With a full regular buying field as well as several seasonal restockers from all areas across the state and an eastern states buyer sizing up the market, it was a very strong sale with gains across most categories. Local Weaner steers and heifers gained 30/40c on last week's sale as did pastoral calves following the same upward trend. Heavy bulls lifted 25/30c while heavy cows were dearer by 8/10c/kg.

Local weaner steers were selling from 422c to 558c while weaner heifers started from 354c and sold up to 500c/kg. Local yearling steers under 400kg returned 408c to 534c and heavier weights from 320c to 478c/kg. Yearling heifers across all weight ranges started from 260c in plain condition up to 448c in finished and feeder fat scores. Pastoral steer calves were mostly in very good condition and sold very well from 298c up to 478c while pastoral heifers ranged from 200c up to 454c/kg.

Grown steers returned from 300c to 350c while grown heifers returned 340c to 440c/kg. Light framed pastoral store cows sold from 120c to 188c while bigger framed store cows made 192c to 300c/kg. Medium weight cows returned 306c to 360c and heavy cows sold to a top of 372c/kg.

Young bulls local and pastoral ranged from 290c to 424c while heavy bulls sold from 248c to 350c/kg.
