

Muchea Cattle Report 14.09.2026

1072 liveweight and 116 veal / total 1188

It was a similar sale to last week with a high percentage of store condition pastoral cattle and reasonable supplies of local cattle covering most categories. Also in the yarding were several pens of light framed cow and calf units selling from \$800 to \$1300 a unit. Local calves and yearlings both heifers and steers recorded 25/30c gains while pastoral calves were mostly light framed and light conditioned and were sometimes hard to attract bids easing up to 100c in some cases. The cow market across the board remained firm while heavy bulls lifted 25/30c/kg.

Local weaner steers were selling from 300c to 562c while weaner heifers started from 300c and sold up to 496c/kg. Local yearling steers weighing under 400kg returned 250c to 552c and heavier weights from 400c to 538c/kg. Yearling heifers under 400kg were selling from 378c to 484c and with more weight and frame sold from 284c to 370c/kg. Pastoral steer calves and yearlings ranged from 190c to 380c while pastoral heifer calves sold to a top of 300c and yearlings from 120c to 342c/kg.

Grown steers in a range of quality returned 250c to 460c while grown heifers were making 320c to 370c/kg.

Light framed pastoral store cows sold from 60c to 240c while bigger framed store cows made 276c to 312c/kg. Medium weight cows returned 310c to 332c and heavy cows sold to a top of 348c/kg.

Young bulls back to paddocks ranged from 200c to 276c while shipping bulls sold from 220c to 376c/kg.

Heavy pastoral bulls sold from 260c to 320c and local bulls lifted 25/30c making 322c to 378c/kg.
