

Muchea Cattle Report 05.10.2026

601 liveweight and 0 veal / total 601

It was a light sale for this time of the year with just 601 head at Muchea today. The yarding was a mix of local and pastoral cattle mostly in store to feeder condition with very few trade weights available. The buying field was attended by several seasonal restockers as well as interest from the eastern states keeping the many lines of light pastoral calves stable in pricing. Local weaners and yearlings posted equal values while cows with condition gained 5c and heavy local bulls were 10c dearer.

Local weaner steers were selling from 340c to 538c while weaner heifers were making 268c to 478c/kg. Yearling steers weighing under 400kgs sold from 372c to 490c and heavier weights from 350c to 496c/kg. Yearling heifers under 400kgs were selling from 350c to 452c and with more weight and frame sold from 402c to 442c/kg. Pastoral yearling steers returned 328c to 402c while pastoral heifer calves ranged from 152c to 348c and yearlings from 230c to 398c/kg.

Grown steers sold from 330c to 438c while grown heifers returned 320c to 406c/kg. Light framed pastoral cows were making 50c to 150c while bigger framed store cows ranged from 150c to 270c/kg. Medium weights returned 302c to 342c and heavy cows sold to a top of 364c/kg.

Young bulls back to paddocks or live export sold from 250c to 374c and local heavy bulls gained 10c selling from 294c to 364c/kg.
