Muchea Cattle Report 16.11.2026

1944 liveweight and 24 veal / total 1969

Muchea recorded a jump in numbers today with a yarding total of 1969. The sale was dominated with pastoral lines with every category well represented ranging from plain clean up lots to well conditioned locally fed lines. Local cattle were few and were also presented in a wide variation of condition. The buyers gallery was busy and pricing on local steer calves eased 10/15c while cows were also cheaper by 10/15c/kg. Young bulls sold well again this week with exporters and restockers competing strongly and slaughter bulls also gained 20/25c/kg.

Local weaner steers sold over a wide range from 220c to 566c while local weaner heifers were making 250c to 492c/kg. The few local yearling steers yarded sold from 340c to 502c while local yearling heifers returned 250c to 450c/kg. Plain pastoral steer calves started from 250c and locally fed better conditioned steers sold to a top 406c while yearling steers returned 338c to 470c/kg. Pastoral heifers calves ranged from 240c to 384c while pastoral yearling heifers also sold over a wide scale from 200c up to 470c for locally fed heifers.

Grown steers sold from 340c to 407c while grown heifers returned 300c to 380c/kg.
Store cows sold from 120c to 270c while medium cows returned 272c to 338c and most heavy cows sold from 320c to 340c with one Brahman cow reaching 380c/kg.

Young bulls both pastoral and local sold well making 244c to 430c while the few local slaughter bulls available returned 340c to 372c and pastoral heavy bulls returned 276c to 340c/kg
