

Muchea Cattle Report 11/15/2026

763 liveweight and 83 veal / total 846

Numbers increased by 300 head at Muchea today. Another mixed sale between local and pastoral cattle with good lines of mostly weaners in the local side and a wide range in condition in the pastoral runs. It was a strong sale with improved values on both weaner steers and heifers gaining 25/30c and pastoral steer calves lifting 50c while pastoral heifers were up 20/25c/kg. With a full and active buying group present, cow prices recorded equal values while heavy bulls gained 5c/kg.

Local weaner steers were selling from 300c to 570c while weaner heifers started from 280c and sold up to 470c/kg. Local yearling steers were mostly in the heavy range and sold from 402c to 480c while yearling heifers were selling from 360c to 460c/kg. Plain pastoral steers with little cover and presenting horns started from 234c up to 482c for better bred polled steers with clean full red skins. The same story for pastoral heifers ranging from 120c up to 412c with bigger frames and better breeding.

Grown steers returned from 318c to 480c while grown heifers returned 366c to 414c/kg. Light framed pastoral store cows made 150c to 250c while bigger framed stores sold to 296c/kg. Medium weight cows returned 268c to 348c and heavy cows sold to a top of 356c/kg.

Young bulls back to paddocks ranged from 150c to 274c while shipping bulls sold to a top of 348c and heavy bulls returned 290c to 340c/kg.
